## *Wii-habilitation*

*"We put the fun in Functional"*

**NEW!! Metro PT Wii-habilitation** . Using the Nintendo Wii as part of our comprehensive PT program

Metro PT prides itself in providing quality **one-on-one personal care** by only **licensed** physical therapists.

Metro PT has been named **One of Long Island' s top 4 physical therapy offices for 2008 as voted by LI Press readers.**

Metro PT has had remarkable results treating patients with chronic pain using the **Laser Therapy System**. This laser decreases inflammation, promotes healing, and inhibits pain.

**Occupational & massage therapy** is also being provided at the locations below.

Metro PT's offers **aquatic physical therapy** in 3 of our 4 locations. Free pool classes for patients with arthritis. Co-sponsored by **The Arthritis Foundation**.

Metro PT has extended hours **Monday thru Friday 7am to 9pm and Saturday and Sunday 8am to 2pm by appointment.**

Metro PT now offers "**After Care**" services where patients can continue to benefit from a supervised fitness program.

Metro PT offers **Home Care Physical Therapy** 6 days a week for residents of Nassau and Western Suffolk to aid in the healing process and help patients transition to out-patient care.
